

International Conference,
dedicated to the 70th anniversary of Geographical Faculty of the ISU

**“GEOGRAPHICAL RESEARCH OF ASIAN RUSSIA AND ADJACENT
TERRITORIES: NEW METHODS AND APPROACHES”**

Russia, Irkutsk, October 1–3, 2019

SECOND ANNOUNCEMENT

Dear Colleagues,

We invite you to participate in the All-Russian scientific conference with international participation “Geographical research of Asian Russia and adjacent territories: new methods and approaches”. The Conference is dedicated to the 70th anniversary of Geographical Faculty of the Irkutsk State University, which, as an independent institution within the university, began training students since 1949. The development of geographical education and science in Siberia is closely associated with this faculty. Planning and management of the national economy, integrated development and distribution of productive forces required study of natural and social processes within an integrated system of geographical knowledge.

The Conference aims to unite the scientific community for discussion new methods, approaches and results of scientific research in Asian Russia and adjacent territories. Researchers, specialists, university professors, graduate students, undergraduates are invited to participate in the Conference.

ORGANIZERS:

- Irkutsk State University, Geographical Faculty.

PARTNERS:

- V.B. Sochava Institute of Geography SB RAS;
- Irkutsk Regional Branch of the Russian Geographical Society.

MAIN DIRECTIONS OF THE CONFERENCE:

- Methodology of landscape research;
- Study of geosystems and their components in areas of the central ecological zone of the Baikal natural territory and specially protected territories of Asian Russia and neighboring countries;
- Geomorphology and evolutionary geography, glaciology, cryology;
- Comprehensive geographical studies of transboundary regions;
- Solving geo-environmental problems and environmental protection;
- Geoinformation technologies and mapping.

FORMS OF PARTICIPATION:

- Presentation in plenary session;
- Presentation in breakout session;
- Poster presentation;
- Correspondence participation (publication of contributions);

Conference languages – Russian, English.

PROGRAM COMMITTEE

Chairman:

Igor Bychkov, Acting Rector of Irkutsk State University, Scientific Director of the Irkutsk Scientific Center of the RAS, Academician of RAS, Doctor of Sciences (Technical Sciences), Professor

Co-Chairmans:

Arnold Tulokhonov, Scientific Director of the Baikal Institute of Environmental Management SB RAS, Academician of RAS, Doctor of Sciences (Geography), Professor

Valerian Snytko, Chief Researcher of the Institute of the History of Natural Science and Technology RAS, Corresponding Member of the RAS; Doctor of Sciences (Geography), Professor of Moscow State University

Deputies Chairmen:

Leonid Korytny, Chairman of the East Siberian Branch of the Russian Geographical Society, Doctor of Sciences (Geography), Professor

Igor Vladimirov, Director of the Institute of Geography SB RAS, Candidate of Sciences (Geography)

Viktor Plyusnin, Scientific Director of the Institute of Geography SB RAS, Doctor of Sciences (Geography), Professor of the Department of Geography, Cartography and Geosystem Technologies of Irkutsk State University

Tatyana Konovalova, Head of the Department of Geography, Cartography and Geosystem Technologies of Irkutsk State University, Doctor of Sciences (Geography), Leading Researcher of the Institute of Geography SB RAS

ORGANISING COMMITTEE

Chairman:

Tatyana Konovalova, Head of the Department of Geography, Cartography and Geosystem Technologies of Irkutsk State University, Doctor of Sciences (Geography), Leading Researcher of the Institute of Geography SB RAS

Co-Chairman:

Sayana Vologzhina, Dean of the Geographical Faculty of Irkutsk State University, Candidate of Sciences (Geography), Associate Professor

Deputy Chairman:

Marina Levasheva, Candidate of Sciences (Geography), Associate Professor of the Department of Geography, Cartography and Geosystem Technologies of Irkutsk State University

Secretary:

Zoya Kuzavkova, Senior Lecturer of the Department of Geography, Cartography and Geosystem Technologies of Irkutsk State University

PUBLICATION OF CONTRIBUTIONS

The proceedings will be published in hard copy before the beginning of the Conference and indexed by the RSCI. The Organizing Committee reserves the right to select papers and check for plagiarism. Papers that do not comply with the main thematic areas of the Conference and do not meet the requirements may be rejected with the author notice.

In addition, conference proceedings are planned for publication in the collection "IOP Conference Series: Earth and Environmental Science" (WoS, Scopus). The information is on request.

ARRANGEMENT FEE

- Foreign participants – \$ 20;
- Russian participants – ₰ 1000 (but postgraduate students, undergraduates students, students – ₰ 500);
- Absentee participation (publication only) – ₰ 500.

The fee includes: printing conference materials, coffee breaks, handouts.

ARTICLE REQUIREMENTS

1. Total number of pages – 4-5. Without numbering.
2. File extension – *.doc, *.docx.
3. Page size – A4. Margins: top and bottom – 2.0 cm, left – 3 cm, right – 1.5 cm. Font – Times New Roman; type size – 12 pt, single spacing.
4. The title of article is set in capital letters, Times Bold, center alignment, without hyphenation. At one interval from the title is a list of authors (center alignment). The style for the names is surname then initials. The addresses of the authors' affiliations (including e-mail; Times Ital.) follow the list of authors. If the authors are at different addresses, numbered superscripts should be used after each surname to reference an author to his/her address. After one interval the above information is duplicated in English. Further in one interval follows the main text (width alignment, indent - 1 cm).
5. Figures are inserted into the text. They can be provided as separate files (extension – *.jpg, resolution not less than 300 dpi). Captions should be below the figure (Times Normal, center alignment, without hyphenation). Tables should be numbered sequentially throughout the text. Captions should be placed at the top of the table (center alignment; but the table number is right alignment). Formulas created in the formula editor should be numbered. The reference to the formula is given in the text in parentheses.
6. The list of references (Times Normal, width alignment, numbered; according to GOST 7.1-2003) follows the main text and has the heading

“References” (Times Bold, center alignment). Reference is given in the text in square brackets.

7. The article file is called the name of the first author. Admission deadline is April 29, 2019.
