

Program of the International Summer School «Interdisciplinary approaches to the management of nature protected areas in the Baikal region in conditions of increasing anthropogenic load»

Dates: 11 -21 August 2016

Place: Ust-Barguzin village, Davsha village (Barguzin Reserve)

<i>Day 1. 08.11.2016 (Thursday)</i>	
8.00	Departure from Irkutsk to Ust-Barguzin
13.00-14.00	<i>Lunch</i>
14.00-20.00	Arrival to Ust-Barguzin, accommodation
21.00	<i>Dinner</i>
<i>Day 2. 12.08. 2016 (Friday)</i>	
9.00 - 9.30	<i>Breakfast</i>
10.00-11.15	Report: Physical and geographical characteristics of Lake Baikal
11.30-12.30	Report: The soil cover of the Baikal region
13.00-13.30	<i>Lunch</i>
14.00-15.30	Report: Hydrochemistry of Lake Baikal
16.00-17.30	Report: Hydrobiology of Lake Baikal. Biochemical, molecular and cellular mechanisms of adaptations of aquatic invertebrates of Lake Baikal.
18.00-18.30	<i>Dinner</i>
19.00	Independent Work of participants with theoretical material, articles. Discussion of the reports.
	Free time.
<i>Day 3. 13.08. 2016 (Saturday)</i>	
9.00-9.30	<i>Breakfast</i>
10.00-11.15	Report: Ecosystem services and functions of the landscape in the Lake Baikal region
11.30-12.30	Report: Correlation of concepts: land cover, landscape, geosystem, ecosystem, habitat, biotope
13.00-13.30	<i>Lunch</i>
14.00-15.30	Report: Climatic features of the Baikal region and their impact on self-purification of the atmosphere. Sources of anthropogenic impact
16.00-17.30	Report: Nature protected areas in the Baikal region. Tourism
18.00-18.30	<i>Dinner</i>
19.00	Independent Work of participants with theoretical material, articles. Discussion of the reports.
	Free time.
<i>Day 4. 14.08. 2016 (Sunday)</i>	
9.00 - 9.30	<i>Breakfast</i>
10.00	Departure from Ust-Barguzin to Davsha village (Barguzin Reserve)
13.00-13.30	<i>Lunch on the ship</i>
19.00	Arrival. Accommodation
20.00-20.30	<i>Dinner</i>
21.00	Free time
<i>Day 5. 15.08. 2016 (Monday)</i>	
9.00 - 9.30	<i>Breakfast</i>
10.00-12.30	Reports on the module «Soil science, botany»
13.00-13.30	<i>Lunch</i>
14.00-17.30	Field work on the module «Soil science, botany»
18.00-18.30	<i>Dinner</i>

19.00	Processing of field data on the module «Soil science, botany»
	Free time
<i>Day 6. 16.08. 2016 (Tuesday)</i>	
9.00 - 9.30	<i>Breakfast</i>
10.00-12.30	Reports on the module «Hydrochemistry, hydrobiology»
13.00-13.30	<i>Lunch</i>
14.00-17.30	Field work on the module «Hydrochemistry, hydrobiology»
18.00-18.30	<i>Dinner</i>
19.00	Processing of field data on the module « Hydrochemistry, hydrobiology »
	Free time
<i>Day 7. 17.08. 2016 (Wednesday)</i>	
9.00 - 9.30	<i>Breakfast</i>
10.00-12.30	Reports on the module «Tourism, development of natural protected areas»
13.00-13.30	<i>Lunch</i>
14.00-17.30	Field work on the module «Tourism, development of natural protected areas»
18.00-18.30	<i>Dinner</i>
19.00	Processing of field data on the module «Tourism, development of natural protected areas»
	Free time
<i>Day 8. 18.08. 2016 (Thursday)</i>	
9.00 - 9.30	<i>Breakfast</i>
10.00-12.30	Reports on the module «Ecosystem services»
13.00-13.30	<i>Lunch</i>
14.00-17.30	Field work on the module «Ecosystem services»
18.00-18.30	<i>Dinner</i>
19.00	Processing of field data on the module «Ecosystem services»
	Free time
<i>Day 9. 19.08. 2016 (Friday)</i>	
9.00 - 9.30	<i>Breakfast</i>
10.00	Departure from Davsha village to Ust-Barguzin
13.00-13.30	<i>Lunch on the ship.</i> Preparation of the final presentations.
19.00	Arrival. Accommodation
20.00-20.30	<i>Dinner</i>
21.00	Preparation of the final presentations. Free time
<i>Day 10. 20.08. 2016 (Saturday)</i>	
9.00-9.30	<i>Breakfast</i>
10.00-12.30	Final presentations
13.00-13.30	<i>Lunch</i>
14.00-16.00	Final presentations
17.00	Closing ceremony
18.00-18.30	<i>Dinner</i>
<i>Day 11. 21.08. 2016 (Sunday)</i>	
8.00-8.30	<i>Breakfast</i>
9.00	Departure to Irkutsk
14.00	<i>Lunch</i>
21.00	Arrival
